

# Tegra® 4Bank DMX

Kino Flo's new Tegra® 4Bank DMX redefines the evolution of light by combining the Academy-award winning features of the 4ft 4Bank portable system with onboard control features of the Diva-Lite 401. The all-in-one Tegra 4Bank DMX features new levels of control with DMX and onboard dimming, DMX and onboard lamp switching, remote hand-held dimming, and universal input voltage (100VAC to 240VAC). The Tegra 4Bank DMX produces as much light as a 1000W tungsten softlight using only one third the amount of power at 2.8A (120VAC) compared to the tungsten softlight at 8.3A. Proprietary solid state electronics operate the lamps at high output, flicker-free, and dead quiet. The built-in barndoors with newly designed hinges, honeycomb louver and center mount system make the lightweight Tegra ideal for hand-held shots, rigging in tight locations or mounting on a light stand. The fixture takes 2900K, 3200K and 5500K True Match® lamps that display a full range of high color rendering soft light. Tegra 4Bank DMX features are:

- DMX and manual lamp dimming
- DMX and manual lamp switching
- Universal input 100VAC-240VAC
- Remote dimming
- Built-in Barndoors
- Center Mount
- Reflector
- Louver
- True Match® daylight and tungsten balanced lamps
