### ***New! Imara S100 & S60 Universal***

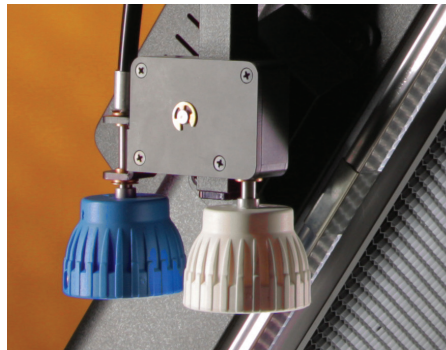

**Burbank, CA** – The ***Imara S100 & S60*** studio softlight fixtures now include universal input voltage from 100VAC to 240VAC. Both models run on very little energy, yet have powerful light levels. The Imara S100 delivers 4K worth of softlight using only 4.3A (120VAC). The Imara S60 only requires 2.5A (120VAC). Imaras come complete with onboard and remote lamp dimming and switching to change light levels without changing color temperature.

The ***Imara S100 & S60 Universal*** replace the S10 & S6 and will be available **August 1, 2015**.

The ***Imara S100 & S60*** come in Yoke and Pole-Op models and are complete with molded accessory holders, removable gel frame and 90° honeycomb louver. A 60° honeycomb louver is available as an accessory. Kits are available in yoke mount.
