New! 4Bank DMX Ballast – BAL-457

Burbank, CA – Kino Flo Lighting Systems introduces our newly designed 4Bank DMX Ballast available March 1, 2014.

- New universal voltage 100~240VAC
- New 50% less amps than previous model BAL-455
- New 15% smaller and 20% lighter weight
- New mechanical and internal layout
- New power switches
- New graphics and color coded connectors
- New textured, smudge-proof paint

Same classic features:

- HO/Standard switching
- Individual lamp control
- DMX auto terminate
- Flicker-free, remote operation

The new 4Bank DMX ballast **BAL-457** is a direct replacement of the BAL-455 model and will be included in the Gaffer DMX Kits, Interview DMX Kits and Flathead 80 DMX Kits.
