Rental Questions:

What stands do I need for Kino Flo fixtures?

A Grip Stand is recommended if ordering the fixtures with the regular Mounting Plate with 3/8" pin mount. Kino Flo does not rent Grip Stands. A regular baby stand is used if ordering fixtures with Baby Receiver Mounts.

Will the equipment fit in my car?

Diva-Lite Kits or ParaBeam fixtures should fit into a passenger type vehicle. If ordering any 2ft and 4ft fixtures, the case dimensions may fall into the 5ft range. Orders that contain 6ft and 8ft lamps or fixtures are packed in cases approximately 8ft long. Please make sure your vehicle can make the necessary accommodations.

How do I open an account?

Print Rental Documents from Kino Flo website to start the rental process. Sign and fax back to (818) 252-0290 or email to our Rental agent, Walter Mejia, at wmejia@kinoflo.com. You may also contact the Rental department at (818) 767-6528 and request "New Customer" paperwork. We will then fax or email the documents that need to be completed.

Do I need to have insurance to rent equipment?

Kino Flo requires an insurance certificate naming Kino Flo as "Loss Payee" and "Additional Insured". Please see "Insurance Requirements" for more specific information.

What form of payment is acceptable for renting equipment?

Kino Flo Rentals accepts credit cards and corporate checks. Cash and personal checks are not accepted.
