## **Kino Flo Special Lets the Air Out of Inflation**

BURBANK, CA –Kino Flo Lighting Systems is taking the edge off inflation with its new FLO for LED [Trade-In Promotion](#). Kino Flo is offering a Trade-In special when customers exchange legacy FLO fixtures for FreeStyle LED Systems and Kits, and Image LED studio lighting products. Customers earn a deep discount on each LED lighting product when they return a qualifying Kino Flo legacy product of similar design, such as trading in a used 4ft 4Bank fluorescent system for a new FreeStyle T44 LED.

Customers who return a used Kino Flo 4Bank system, qualify to purchase a new [FreeStyle T44 LED Tube System](#) for a flat price of \$2,299 —That's a savings of \$1,416 off the FreeStyle T44 LED list price of \$3,715! A total of 16 Kino Flo LED products qualify for the deep Trade-In discounts.

Products qualifying for the Trade-In Pricing:

FreeStyle T44, FreeStyle T24, FreeStyle 41, FreeStyle 31, FreeStyle 21, FreeStyle Mini LED systems and kits. Image L80 and Image L40 LED fixtures and kits also are included.

Trade-In pricing may vary by country due to customs, duties and other taxes. For promotional prices on all qualifying lighting products, Kino Flo or its Trade-In partners reserve the right to refuse or limit any transaction for any reason. Additional terms from Kino Flo or dealers and other trade-in partners may apply.

The complete Trade-In pricing schedule for the Kino Flo FreeStyle T44 Systems and other qualifying LED products is available from Kino Flo. Please contact [sales@kinoflo.com](mailto:sales@kinoflo.com) to request the promotional pricing.
